Work4Future newsletter #3

End of the project

After two years of very fruitful collaboration, Work4Future partners are happy to inform you that the project outcomes are available in Bulgarian, English, French, Greek, Italian, Portuguese and Slovak.

Over seventy VET professionals and entrepreneurs, SMEs, managers, and remote workers have taken part in the elaboration of the following tools to get the most of smart remote working as fully motivated staff members:

Work4Future Training Framework: basis for the project two guides, namely Guide on Team Management and Guide for Coaches. The Training Framework is available in English in the project website: [Work4Future Training Framework](#).

Work4Future Guide on Team Management: focusing on six main training modules to foster productive and collaborative teams in the context of remote working. The latter include training content on (i) Psychology and positive thinking, (ii) Communication in the virtual environment, (iii) Work etiquette in the remote working era, (iv) Work-life balance, (v) Best coworker and (vi) Practical exercises and games. The [courses](#) are available in the project platform.

Work4Future Guide for Coaches providing resources and techniques to help managers and coaches unlock their full potential when exploring the Guide on Team Management and Work4Future platform. The guide includes a WebQuest, namely an inquiry-oriented online tool for learning. The [Guide](#) is available in the project platform.

Work4Future online Platform embeds all project resources and tools. All the materials are freely available over the next five years.

Feel free to come and visit Work4Future website work4future.eu and Facebook www.facebook.com/Work4FutureElearning to get the latest news from the project!
